Rebecca,

Due to the size of the documents requested, we had to upload the documents into a OneDrive folder, to which I provided you access (I can grant access as required). A separate email will be sent directly from the OneDrive folder directing you to the documents. Once you're in the folder, you will be able to download the documents and send forward as appropriate.

ECEJ identified the documents requested that are pertinent to ECEJ (marked in Yellow), and can review documents EPR provides in response to other questions. ECEJ can also review any narrative answers drafted (e.g. responses to Requests # 35, 16, or 1).

The spreadsheet below has the SDMS numbers added for identification of the ECEJ documents. All request documents marked in Yellow have been placed in the OneDrive folder. Please let us know if you have any problems downloading the documents from the OneDrive site.
